

**Bath Electric, Gas and Water Systems**  
**Natural Gas Residential Furnace/Boiler System Conversion Program**

The Independent Energy Efficiency Program (IEEP) is sponsoring this program to encourage customers of Bath Electric, Gas and Water Systems (BEGWS) to invest in the efficiency of their homes and to reduce electric usage. Each customer is eligible for one (1) incentive payment of \$5,000 towards the purchase price and installation expense for the new installation of a centralized whole house natural gas furnace or boiler system. *This centralized whole house natural gas furnace or boiler system must be the primary heat source and consistently provide a minimum of 75% home heat.* New furnace or boiler systems must be a 90% or greater (AFUE) efficiency rated unit. **To receive your payment, please fill out this form completely and mail it to the address below within six (6) months of purchase along with:**

- A copy of your dated sales receipt or installation contract and proof of payment.
- A copy of your recent Village of Bath BEGWS Electric Bill.
- Proof of furnace/Boiler AFUE efficiency rating of 90% or greater.
- Rebate application must be submitted within six (6) months of purchase.

**General Terms and Conditions:**

The IEEP or BEGWS may choose to inspect locations to verify satisfactory completion of the projects, and to measure and verify energy savings. Such inspections will be made at a time convenient to the applicant, with advanced notice to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the incentive award.

The reimbursement is taxable as gross income. Customers are responsible for any such tax implications associated with such a reimbursement. The IEEP and BEGWS are not responsible for any tax consequences associated with any payments. The IEEP and BEGWS assume no responsibility for performance of equipment and equipment warranty. The equipment purchased must be installed within the BEGWS service territory. The customer relieves the IEEP and BEGWS of any and all liability associated with this project or equipment. The IEEP reserves the right in its sole discretion to terminate or modify this program at any time.
